The spring and summer months of FCM were filled with many activities involving work, camps, activities, and spiritual growth. By providing these opportunities, our young people were able to grow, learn, and experience God's love for them. As shown above, FCM boys were given a chance to learn the importance of helping others. FCM appreciates the support of our dedicated donors, volunteers, and community organizations that helped to make our events and activities a success. We are looking to God to lead us into another successful school year term.

FCM 2018 Manhood Camp held at Timberlake Christian Retreat. Campers from Hattiesburg, Booneville, and the Golden Triangle area participated in the camp. FCM appreciates the support of 4-County Foundation and supportive donors for sponsoring this camp.
